Outreach project

Under the Edge Arts continues to successfully reach out into the community with the fortnightly art groups and monthly music groups at Kingswood Lodge Care Centre. This is a pilot project jointly funded by Under the Edge Arts and Kingswood Lodge which we hope will be extended beyond the initial six month period and eventually into other care homes.

Pictures of Wotton

We would like to invite people to take photographs for an exhibition we are planning for autumn 2010. The idea is to exhibit pictures of the same view taken over a year. You choose the view: countryside; buildings; gardens; anything that captures your imagination. It could be around Wotton or if people have friends in other parts of the country or abroad they would be welcome to join in too. Please call 07791 323 869 for further details.
